Dear John,

Please forgive the mix-up in getting the Transcript right back to you. As I have learned on this occasion, I should not have depended on anyone else to get it out to you.

I want you to know how much we appreciate your making the testimony available to us.

Our presentation was all in Open Session.. It went very well indeed.

Look forward to seeing you soon.

Sincerely,

A handwritten signature in dark ink, appearing to read "Stanley Plesent".
